NEWS RELEASE**Stealth Ventures Ltd. strengthens its International Advisory Board with the induction of Dr. T. S. R. Prasada Rao**

Calgary, Alberta – Stealth Ventures Ltd. (“Stealth” or the “Company”) [TSX.V: SLV] is pleased to announce the induction of Dr. T. S. R. Prasada Rao to its International Advisory Board, to strengthen its technical base in India and S.E. Asia.

Dr. Rao is a well-established and highly respected scientist who has over 40 years’ experience in India and overseas. He has worked in the oil & gas industry, in India, in various capacities with Government controlled entities and his last assignment before superannuation was as Director of the Indian Institute of Petroleum. Dr. Rao is a specialist in fluid analysis and renowned for his knowledge of appropriate techniques for determining fluid catalysts to meet the end of objective for its usage. Since his superannuation, he is a technical consultant to various organizations in India and overseas and he also sits on the Board of Directors of some of them.

The Company will draw on the rich experience of Dr. Rao’s knowledge, especially in the area of fluid application for fracture design and implementation; besides the introduction of his vast contacts and relationships in the Government and in the oil & gas sector within India.

The tenure of the IAB is for an initial period of 1 year and it will be renewed and extended from time to time, besides being strengthened with additional persons of eminence, to help implement and achieve the corporate and technical objectives of the Company.

Stealth Ventures Ltd. is a Calgary-based junior oil and gas company whose expertise and focus is on “unconventional” gas reserves from shale gas, CBM, and tight sand reservoirs.

We seek Safe Harbor.
